 - Modeling Visual Language in the Classroom

Anchorage School District
Educating All Students for Success in Life

A huge thank you to all who were involved in putting this conference together. Thank you to all the interpreters who worked the conference. Thank you to all of our presenters for taking time to help us improve our skills and grow closer as a community and thank YOU for being a part of it!

Alaska Educational Interpreters Conference 2021

Modeling Visual Language in the Classroom

Glad you could make
it!
